*Help us protect the environment*

Dear Apollo Hotels guests,

Fully aware of the impact that our operation is bound to have on the Environment, we have made since 2012 our top priority the minimization of the environmental footprint of our Hotels and we are happy to share with you the key actions of our green journey ...

# ENERGY SAVING PROGRAM

- ❑ Hot water: Solar panels, high efficiency heat pumps.
- ❑ Lighting : Energy-saving lamps, timers.
- ❑ Energy : Energy saving room cards, double glazing

# WATER SAVING PROGRAM

- ▶ Special provisions for saving water and reducing the supply of cisterns, in the taps, in the showers, in watering the gardens and in the swimming pool.

# WASTE REDUCTION PROGRAM

- ▶ Recycling: paper, plastic, glass and metal.
- Compost: Composting of organic waste
- Cooking oil: collection for biofuel production
- Recycling of special waste (batteries, lamps, electronic devices, mineral oils)
- Waste reduction: replacing single-use packaging

# CONTROL PROGRAM OF HARMFUL SUBSTANCES IN LIQUID GASES AND SOLID WASTE

- ▶ No smoking in all indoor areas
- ▶ The building is painted with ecological colors
- ▶ Use of chemicals, disinfectants, herbicides and insecticides only where necessary
- ▶ Maintenance of machinery to avoid emissions of harmful gases
- ▶ Use of local products with ecological certification

Together we can more effectively minimize the actions that negatively impact the environment that nurtures us and we are kindly inviting you to join forces with us by following our eco-friendly tips ...

# TIPS FOR PARTICIPATING IN OUR PROGRAM

- ❑ Use Public Transport, when possible
- ❑ Use a bicycle for your short trips
- ❑ Keep windows and doors closed when the air conditioning is in operation
- ❑ Save water in the bathroom and participate in the towel reuse & linen change program (relevant information is available in your room)

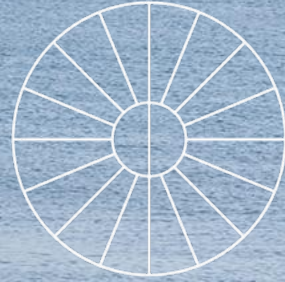

# TIPS FOR PARTICIPATING IN OUR PROGRAM

- ❑ Separate the waste in the special bins that you will find in every floor next to the elevators, at the entrance and on the beach paths
- ❑ You will find a battery disposal bin at the reception.
- ❑ For any other non-household waste (e.g. electronic devices) please contact the reception
- ❑ Not flush harmful substances down your bathroom drain
